More may be ordered but are subject to availability. **All orders must be on the [form provided](#) and should be received by **February 29, 2016** for members-only.**

Exchange is now open to the public until April 30, 2016

This Exchange is Now Closed

Save this seed list for some of the footnote information.

This list will be updated periodically to indicate seed lots that become unavailable.

These will be shown with a strikethrough ~~000-ABC-Seed Name~~

Updated May 6, 2016

Send all orders to: **Sharon Bryson, #407 Old Maryvale Rd., RR#3 Antigonish, Nova Scotia B2G 2L1 CANADA** Please make your cheque or money order payable to 'Atlantic Rhododendron & Horticultural Society'. Add \$3.00 CDN for postage & padded envelope. Please list substitutes as quantities for some lots are small.

US regulations now require an import permit and a phytosanitary certificate. Seeds sent to the US will be shipped without a phytosanitary certificate and at the orderer's risk.

NOTES

1. Open-pollinated species, with the exception of a very few, may not come true from seed. Cultivars, with the exception of a few perennials do not come true. Plants from these seeds should be labelled as being “ex” that species or cultivar.

2. The 2016 Seed List will be posted on the Internet with insertion of images and links to help in your decision-making. Updates re availability will be posted here.

<http://www.willowgarden.net>

Follow the links for 2016 ARHS Seed Exchange.

A link to the list will be inserted on the Atlantic Rhodo site.

www.atlanticrhodo.org

3. Also see the ARHS website for an article on growing rhododendrons from seed.

4. When sowing rhododendrons on peat we recommend you sterilize it first. Microwave it for 15 minutes or pour boiling water through it several times. Allow to cool.

5. We would like to thank the seed donors for their time and effort making crosses, collecting and cleaning seeds.
