

ARHS 2023 SEED EXCHANGE

INSTRUCTIONS

Seed packets are \$3.00 CDN each for collected wild, \$2.50 CDN each for hand-pollinated and \$2.00 CDN each for open-pollinated seed. One packet per lot per person. More may be ordered but are subject to availability. Several seed lots from 2022 with sufficient seed were added to round out the Exchange.

**Seed Lots that become unavailable will have a strikethrough 000_NLA
Updated Feb. 3, 2023**

All orders must be on the [form](#) provided and should be received by February 15, 2022 for members-only. The Exchange will be open to the public after Feb. 15, 2023 until April 30, 2023

Send mail in orders to: Sharon Bryson, #407 Old Maryvale Rd., Maryvale, Nova Scotia B2G 2L1 CANADA
Please make your cheque or money order payable to 'Atlantic Rhododendron & Horticultural Society'. Add \$4.00 CDN for postage & padded envelope.

Payments may also be made via e-transfer or PayPal. Use the address sbryson@ns.sympatico.ca

E-mail orders will be accepted for this years' Exchange with an electronic payment. Please email the completed Order Form as an attachment to the above address.

US regulations now require an import permit and a phytosanitary certificate. Seeds sent to the US will be shipped without a phytosanitary certificate and at the orderer's risk.

NOTES

1. Open-pollinated species, with the exception of a very few, may not come true from seed. Cultivars, with the exception of a few perennials do not come true. Plants from these seeds should be labelled as being "ex" that species or cultivar.
2. The 2023 Seed List will be posted on the Internet with insertion of images and links to help in your decision-making. Updates re availability will be posted there. <http://www.willowgarden.net>
 Follow the links for 2023 ARHS Seed Exchange. A link to the list will be inserted on the Atlantic Rhodo site. www.atlanticrhodo.org
3. See the ARHS website for an article on growing rhododendrons from seed.
4. When sowing rhododendrons on peat we recommend you sterilize it first. Microwave it for 15 minutes or pour boiling water through it several times. Allow to cool.
5. We would like to thank the seed donors for their time and effort making crosses, collecting and cleaning seeds.
